THRU: C/TSS/APD/OB

SUBJECT: Project - Balloon Overflight

50X1

An informal conversation was held between TSS/APD, and a representative of SR as to the status of the above project.

50X1

a. was informed that the project was called off for this fall but they are getting the material and equipment ready for action in the Spring of 1956.

50X1

b. The SR representative said he would like to impress upon me that it would be wise to start getting the cameras in shape.
